

CASE STUDY:
QDOBA

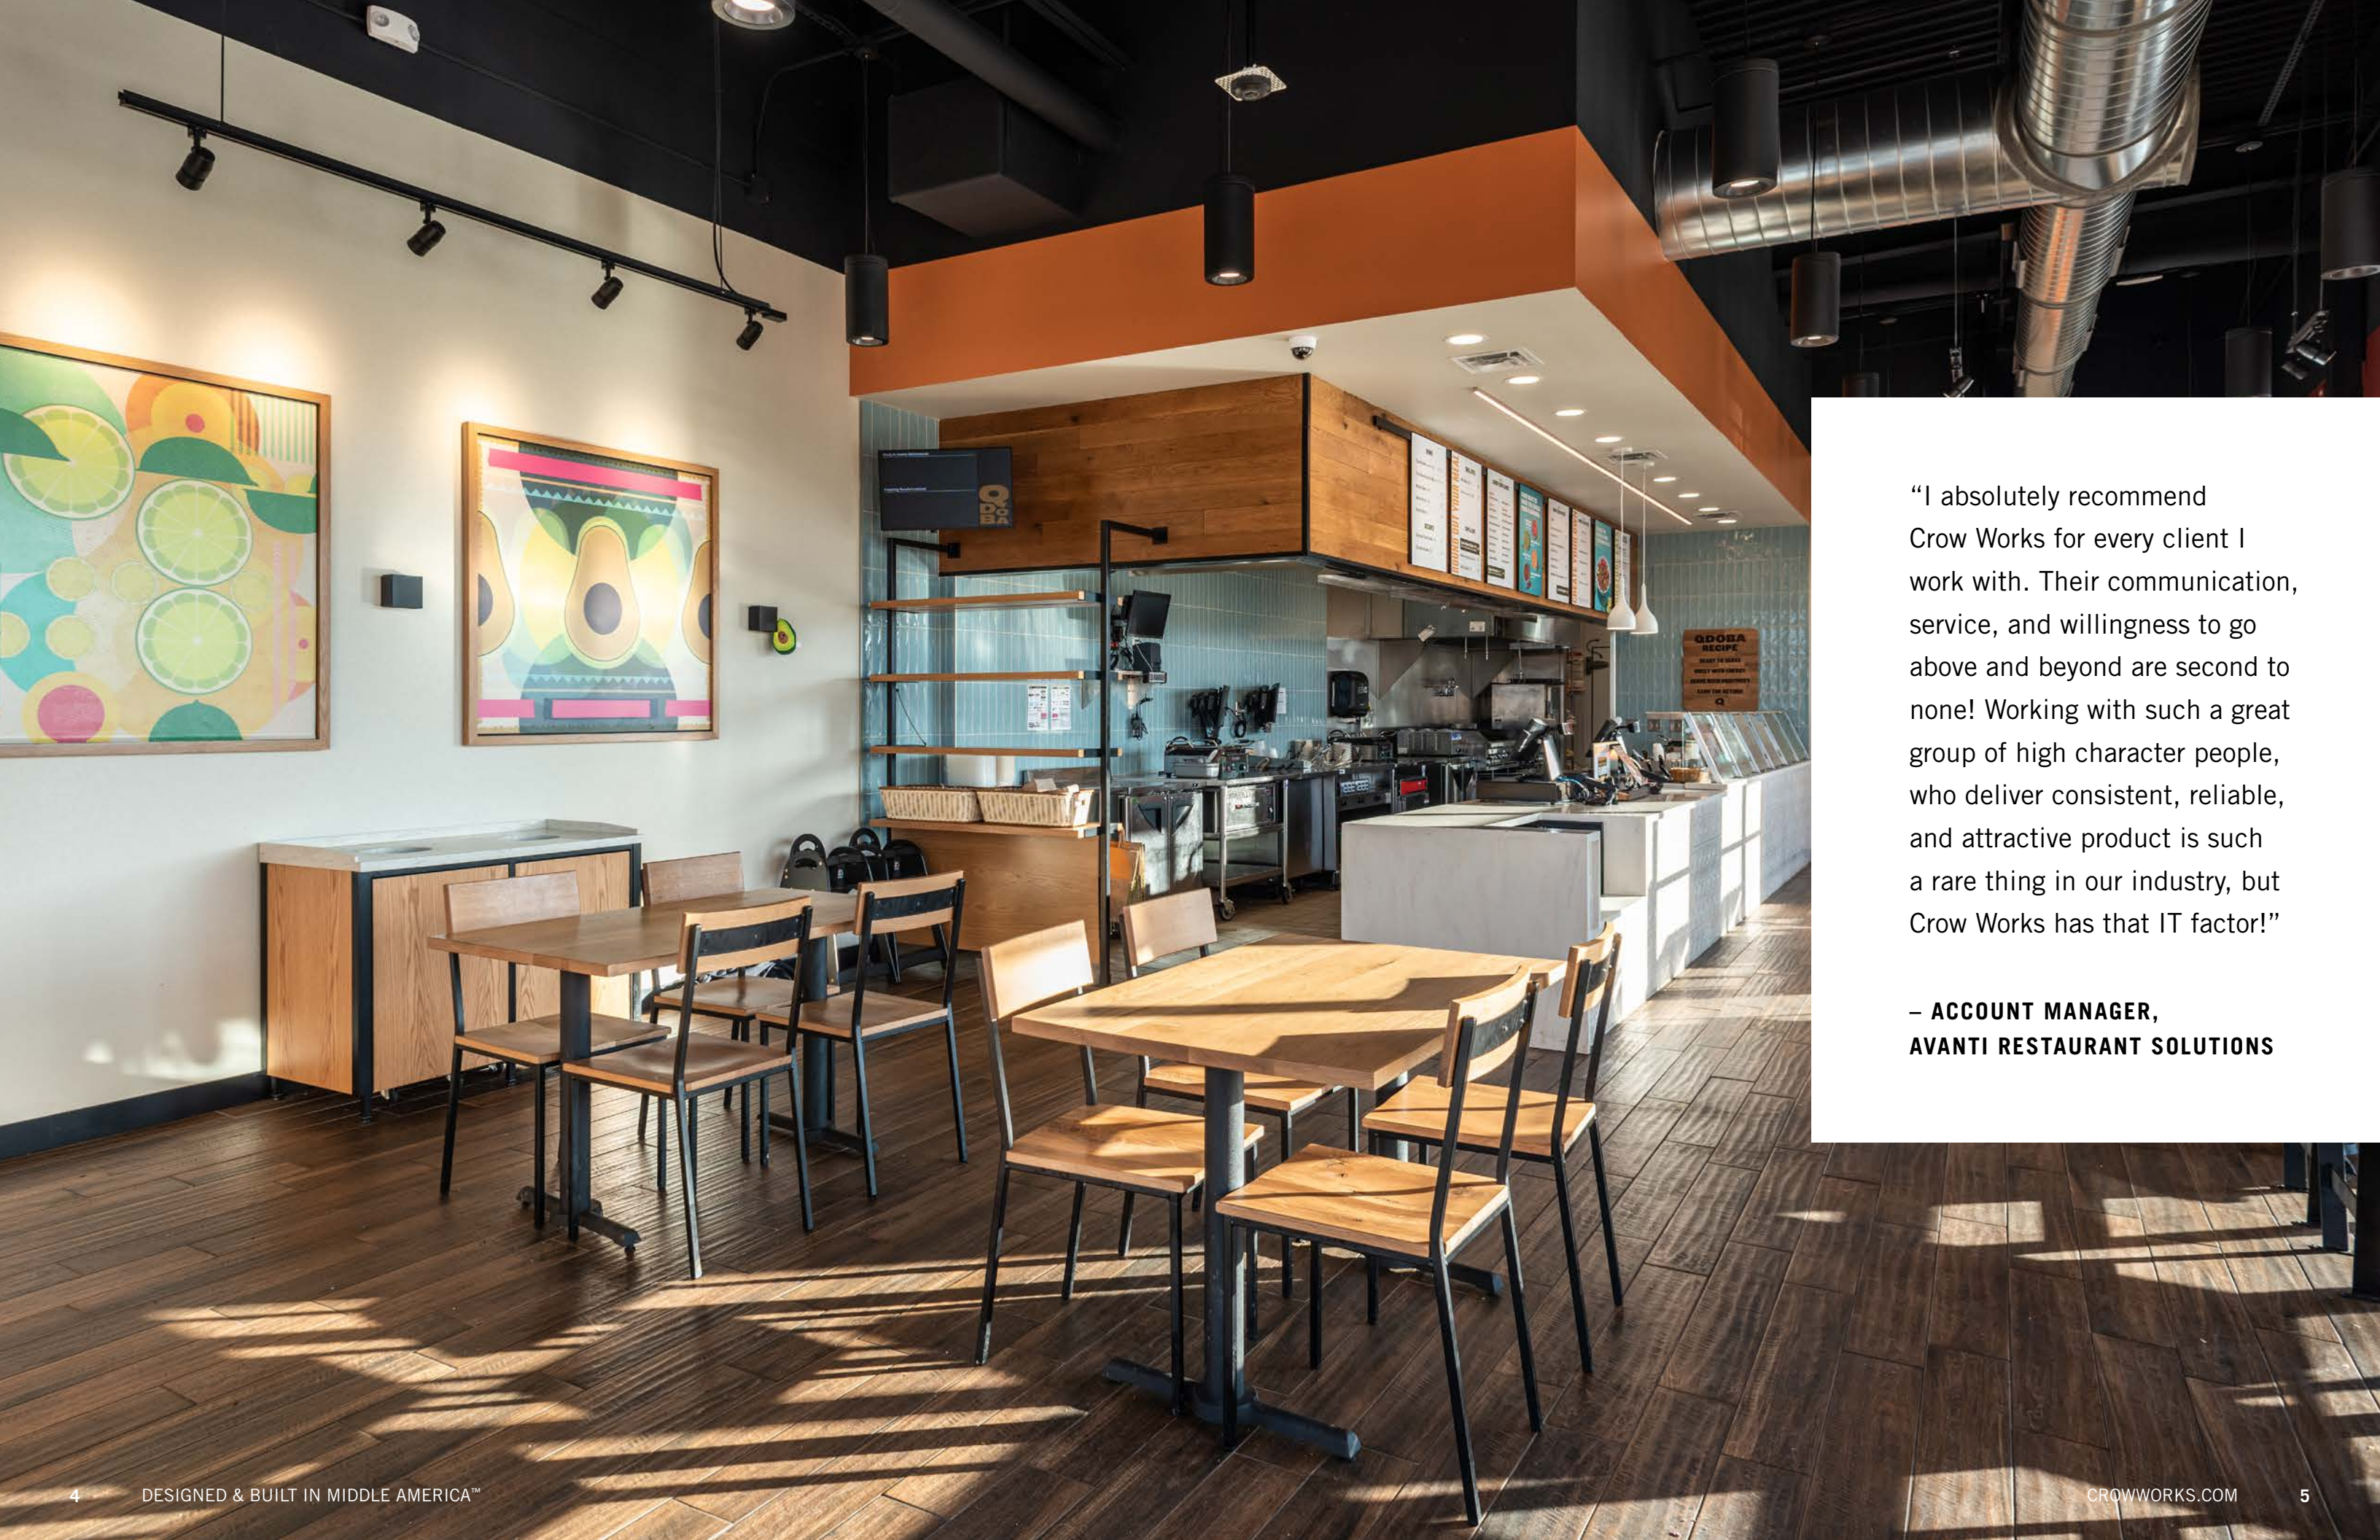

CROW WORKS

CASE STUDY: **QDOBA**

We partner with QDOBA to provide a beautiful, well-designed furniture package that fits their brand and allows them to get tables, seating, and booths/banquettes all from one supplier.

After facing supply delays with a previous supplier, QDOBA chose to work with Crow Works for beautiful and durable products made in the USA. We have built a strong partnership with QDOBA through our commitment to quality and customer service.

“I absolutely recommend Crow Works for every client I work with. Their communication, service, and willingness to go above and beyond are second to none! Working with such a great group of high character people, who deliver consistent, reliable, and attractive product is such a rare thing in our industry, but Crow Works has that IT factor!”

AVANTI RESTAURANT SOLUTIONS

SEATING

The Quincy Banquette and Transit Chair and Bar Stool make it easy to configure QDOBA's seating for different floor plans. Whether placing banquettes along a wall to create a focal point or placing them back-to-back for cozy booths, the Quincy is a great option for fast casual brands.

TABLES

Utilitarian X-Base and T-Base tables are workhorses of the dining room and allow for flexibility. Solid hardwood tabletops add character and beauty.

MATERIALS & FINISHES

WOOD

Our products are crafted from American White Oak, American Black Walnut, and American Hard Maple. These quintessential hardwoods are considered among the most durable. They are finished with a durable, UV-resistant, matte top coat. Our region is net positive in tree harvesting and we take care in our sourcing to see that nothing goes to waste. As part of our commitment to sustainability, we initiated our “Tree for Every Top” program in 2021. For every tabletop we sell, we plant a sapling in our community as an investment in the environment.

NATURAL
American White Oak

METAL

Our metal products are powder coated, creating a long-lasting and durable finish.

TEXTILES

The Belize collection by Wolf Gordon is a polyester knit-backed vinyl with spill- and stain-resistant treatment.
